COLLECTION

Now, imagine your freest playground life.
Limits in your life. Quite restrictive.
The more limitless everything is the better, isn't it life?

Each piece of collection, created with the concept of "Life" designer Sezgin Aksu and ORKA design team, touches on its own characteristic features. The Amorf Collection is the choice of those who want to experience the limitlessness in every living space.

*Şimdi en özgür oyun alanını yaşamını düşün.
Yaşamındaki sınırları. Oldukça kısıtlayıcı. Ne kadar sınırsızsa her şey, o kadar güzel değil mi yaşam?*

Tasarımcı Sezgin Aksu ve ORKA tasarım ekibi tarafından "Yaşam" konsepti ile oluşturulan koleksiyon parçalarının her biri kendi içinde karakteristik özelliklere dokunur. Amorf Koleksiyonu yaşanan her alanın kendi içindeki sınırsızlığı deneyimlemek isteyenlerin tercihi.
